Research covers structural & material mechanics, structural design, earthquake engineering, structural dynamics, design of steel & reinforced concrete structures, retrofitting of existing RC and masonry structures, advanced concrete technology, and construction management.

### Key Courses:

CE 241 Material Science

CE 383 Steel Structures

CE 446 Concrete Technology

CE 244 Materials of Construction

CE 386 Structural Design

CE 487 Dynamics of Structures

CE 381 Reinforced Concrete Theory

CE 441 Contract Planning

CE 490 Earthquake Resistant Design

Research and consultancy in geotechnical engineering. The laboratory with modern test devices serves undergraduate, M.Sc. and Ph.D. students. All geotechnical tests are performed according to ASTM, BS and TSE standards.

## Key Courses:

CE 164 Geology for Civil Engineers

CE 262 Intro to Soil Mechanics

CE 361 Soil Mechanics

CE 364 Foundation Engineering I

CE 460 Earthquake Geotechnical Eng.

CE 462 Soil Mechanics II

CE 463 Design of Geotech. Structures

CE 464 Geotechnical Exploration

CE 465 Earth Structures

## İdari Personel — Roles and Responsibilities

### **Fatma Günay BOSTANCI**

*Department Secretary* ·  317 2400 / 2401 ·  [fbostanci@gantep.edu.tr](mailto:fbostanci@gantep.edu.tr)

Academic & administrative processes; extra-duty assignments; internal/external communication; official documents (revolving fund etc.) preparation & archiving.

### **Vakıf KİRİŞ**

*Construction Technician* ·  317 2453 ·  [vkiris@gantep.edu.tr](mailto:vkiris@gantep.edu.tr)

Daily management of laboratories (Soil Mechanics, Construction Materials, Hydraulics); periodic maintenance & calibration of lab equipment; asset registry & inventory management.

### **Mehmet İLKAY**

*Construction Technician* ·  317 2446 ·  [ilkay@gantep.edu.tr](mailto:ilkay@gantep.edu.tr)

Building asset officer; technical specs for lab equipment procurement; building maintenance coordination (electrical, plumbing); equipment calibration follow-up.

### **Ziya YILMAZ**

*Support Staff* ·  317 2440

Daily cleaning and hygiene of classrooms, labs, offices and common areas; internal document distribution, courier and cargo operations.

### **Songül SATIL**

*Student Affairs Secretary* ·  317 2402 ·  [ssatil@gantep.edu.tr](mailto:ssatil@gantep.edu.tr)

Student academic advisory coordination; disciplinary & complaint procedures; student information system updates; internship, transfer and double-major applications; student announcements.

### **M. Adnan DÜNDAR**

*Construction Technician* ·  317 2418

Preparing materials & equipment for lab experiments; technical support to students and academic staff; maintaining lab environment; enforcing safety rules.

### **Yusuf SEYFİ**

*Technical Assistant* ·  317 2448

Regular maintenance, repair and calibration of lab equipment; technical support in student lab sessions; supporting academic staff in research projects.

### **Ali ÜLGER**

*Support Staff* ·  317 2440

Daily cleaning and hygiene of classrooms, labs, offices and common areas; internal document distribution, courier and cargo operations.
